Frequently Asked Questions

What is the real range of this scooter?
The range on the page is the rated figure. Daily range depends on load, speed, and road conditions. The showroom can explain what to expect for your route.

How long does it take to charge the battery?
Charging time is listed in the specifications. A matching charger from JoshRide is the one to use.

Do you provide service?
Yes. Book a service from the Service page and the workshop will confirm the slot.

Is finance or EMI available?
The showroom helps you apply with finance partners. Approval and the EMI depend on the partner.
